Jenny's Family.

Her father, Leonard Walter Jerome born November 3, 1817 in Pompey, New York. Leonard Jerome (nee Jacobson) was a Princeton <http://judicial-inc.biz/Jenny_Jacobson_Churchill_supplement.htm#cannons_princeton> Graduate. He moved to Brooklyn, New York, where he became a notable and flamboyant stock market speculator and promoter.

Proprietor, and editor, of the New York Times, who used gattling guns on his striking employees. He was a stock speculator, and a close friend of August Belmont, Sr <http://www.belcourtcastle.com/history/august_belmont.html> (nee Schoenberg), American representative of the Rothschild family's banking. He had interests in Broadway theaters, race tracks and railroads.

He was plagued by scandals such as (Minnie Hauk was believed to be his illegitimate daughter). He changed his name from Jacobson to Jerome.

New York High Society

The New York social scene was run by a German named Lady Astor, and under no circumstances were these blue bloods interested in some natty second generation Polish Jews.

The Mother Shops Europe

Jennie's teenage years were spent in Paris, where she and her family were mingled with European society. The Jewish trend was to shop Europe for eligible husbands with a proper title.

The Iroquois Fabrication

Jenny was so Sephardic (Jewish) looking that the

press made up a story that she was an Iroquois Indian.

Jennie Meets Lord Churchill

Society had gathered at Cowes for the yachting festival Lord Randolph Churchill

> , who was pregnant at the time. Randolph received \$2.5 million in today's money, and assurances his career would take off. It was a private ceremony and even Randolph's parents refuse to attend.**

Seven months later, Winston is born

Randolph Is Tossed Out Of England

In 1876 Randolph's brother is in trouble, Randolph is afraid for his future, so he attempts to blackmail the Princess of Wales. The Prince finds out and challenges Randolph to a duel, he refuses, and the princess goes to Queen Victoria, who threw Churchill out of England

> , Count Kinsky, King Edward VII , and King Milan, to name a few.**

Rudolph Gains Political Stature

In July 1886 'Randy', age 37, became simultaneously chancellor of the exchequer and leader of the House of Commons, and even discussed as the next Conservative prime minister. Jennie was a social butterfly, who had affair after affair

<http://en.wikipedia.org/wiki/Jenny_Jerome#Marriage_and_adultery> , many say she had 200 lovers

<http://judicial-inc.biz/Jenny_Jacobson_Churchill_supplement.htm#200%20lovers> .

Jenny Has A Second Son

In 1880 she has child named Jack, who was fathered by Col. John Strange Jocelyn .

Randolph Dies In 1895 And She Concentrates On Winston

She now concentrates on her social life and promoting Winston. She sought consul from Disraeli and Baruch. Winston was a clown, a heavy drinker who dabbled in bisexuality.

The Reason Winston Succeeded

Jenny Churchill meet King Edward VII

<http://en.wikipedia.org/wiki/Edward_VII> when she was 19, at the Cowes regatta. She slept with him from 1873 to 1892. The rumor was he was Churchill's father.

In 1900 She Remarries

She married George Cornwallis in 1900, and Montague Phippen Porch in 1918.

Jenny Died In 1921

Jennie died in 1921 at the age of 67 after surgery to remove a gangrenous leg, and is buried in the Churchill plot. Winston stops a book

<http://judicial-inc.biz/Jenny_Jacobson_Churchill_supplement.htm#Churchill%20stops%20book>

on the mother's heritage.

How History Gets Rewritten

Jenny is portrayed as Lady Churchill, the beautiful and sophisticated mother of Winston Churchill, the bulldog that faced down Hitler.

The truth is she was just a no morals scheming social climber, whose mother married her off to dilettante with a title. International Jewry saw something in Winston and put him under Bernard Baruch's wing. Churchill and Roosevelt (another Jew) crushed Germany, the only floodgate to Communism.
