

Mistranslation Deceives Christians

"ONE BLOOD — ONE FLESH"

By

Thomas E. O'Brien.

THE one-worlders and do-gooders, which includes the bulk of our clergy, educators, politicians, pseudo-scientists, and intellectuals like to quote Acts 17:26 to prove that all men are of one blood and descendants of Adam and Eve. In their customary deceitful way, they only quote the first half of the verse to make their assinine interpretation a little stronger. Acts 17:26 "And hath made of one BLOOD all nations of men to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation". The second half of the verse coincides with the rest of the Bible showing that our Father placed the different races on this planet at different times and ordained that they should live among themselves within prescribed boundaries, not to move in with other races.

The key word here is "blood" but through lack of knowledge and study, these false prophets are not aware that the word "blood" does not appear in this verse in the original manuscripts. It was added in by the translators. See The Emphatic Diaglott, Vatican Document #1209, which was used when translating The New Testament into English.

All Biblical authorities agree with this, even Scofield, see his note in your King James version. *Ferrar Fenton* has perhaps the best translation:

"Himself giving every one life and breath and all things; because He made by One .(Christ) every race of men to dwell upon the race of the earth."

I Corinthians 15:39 makes it a little plainer, so they never quote it, "All flesh is not the same flesh, but there is one kind of flesh of men (Adam), another flesh of beasts (two-legged and four-legged), another of fish and another of birds."

By preaching: this fallacy of "one blood", "one flesh"; our clergy knowingly or not, are supporting the program of the Jews, whose **FINAL SOLUTION**, is elimination of the White Race through mongrelization. We are the only ones who stand in their way and prevent their taking over control of the world. It is the same old battle that you can read about all through your Bible, the Children of God against the Children of Satan.

As you will remember, when Nebuchadnezzar defeated Israeli, he only took the whites to Babylon, the non-whites were allowed to remain in the land. When released from Babylonian captivity only 42,360 returned to Jerusalem, the others migrated westward. Many of this forty two thousand had intermarried with their Babylonian captors and brought their strange wives and children with them, so at that time the White Race was a very small percentage of the population.

Perhaps to them, as it does to us today, their problems seemed insurmountable, but at last, in sheer desperation, they turned in earnest to God and listened to their priest, Ezra. His advice is as good today as it was then.

Please read the entire book of Ezra, as he details the problems, even giving the lineage of those who had mongrelized. Due to space limitation, I will merely quote some of the more important and relevant verses.

Ezra 9th chapter — *"Now when these things were done, the princes came to me, saying, The people of Israel, and the priests, and the Levites, have not separated themselves from the peoples of the lands, doing according to their abominations, of the Canaanites, the Hittites, the Perizzites, the Jebusites, the Ammonites, the Moabites, the Egyptians, and the Amorites.*

For they have taken of their daughters for themselves, and for their sons, so- that the holy seed have mixed themselves with the people of those lands;. yea, the hand of the princes and the rulers hath been first in this trespass. And at the evening sacrifice I rose up from my heaviness; and having torn my, garment and my mantle, I fell upon my knees, and spread out my hands unto the Lord, my God, and said, O my God I am ashamed

and blush to lift up my face to thee, my God; for our iniquities are increased over our head, and our trespass is grown up into the heavens. And now, O our God, what shall we say after this? For we have forsaken thy commandments, which thou hast commanded by thy servants, the prophets, saying,

The land unto which ye go to possess it, is an unclean land with the filthiness of the people of the lands, with their abominations, which have filled it from one end to another with their uncleanness. Now therefore, give not your daughters unto their sons, neither take their daughters unto your sons, nor seek their peace or their wealth forever, that ye may be strong, and eat the good of the land, and leave it for an inheritance to your children forever. Should we again break thy commandments, and join in affinity with the people of these abominations? Wouldest not thou be angry with us till thou hadst consumed us, so that there should be no remnant nor escaping."

Ezra 10th chapter *"And Shecaniah, the son of Jehiel, one of the sons of Elam, answered and said unto Ezra, We have trespassed against our God, and have married foreign women of the people of the land; yet now there is hope in Israel concerning this thing. Now, therefore, let us make a covenant with our God to put away all the wives, and such as are born of them, according to the council of my lord, and of those who tremble at the commandment of our God; and let it be done according to the law. Then rose Ezra, and made the chief priests, the Levites, and all Israel swear that they should do according to this word. And they swore. Let now, our rulers of all the congregation stand, and let all them who have married foreign women in our cities come at appointed times, and with them the elders of every city, and its judges, until the fierce wrath of our God for this matter be turned from us. And among the sons of the priests there were found some who had married foreign women. And they gave their hands that they would put away their wives."*

The 10th chapter Concludes with a list of those who had mongrelized. You can be sure our Father in Heaven is adding to this list every day, will your name be on it?

England never had a racial problem but now under liberal and Jew rule, are creating their own.

We, in America, have always had the problem and are now compounding it with an insane immigration policy. The flow of good white racial stock from Europe (which we desperately need) has almost been eliminated, while the doors are being thrown wide open for non-whites. Democracy has its own built-in self-destruction.

It preaches all races are equal, "one blood, one flesh", allowing unlimited hordes of non-whites who will soon outnumber and out vote us. In fact it is not even necessary that they reach 51% of our population for there are millions of liberal, brainwashed whites who will vote right along with them. Little do these whites realize that they have resigned their membership in the human race. As good God fearing Christians, the milk of kindness toward humans (hue-man) and has nothing whatever to do with non-whites, which of course includes the Jews.

A series of essays on subjects carefully avoided by today's clergy.

Unfortunately, today, people just cannot find the time to read an entire book; so, for the first time in Identity literature, we present eleven short studies in one volume. Read one today, another next week, next month, as you find time.

For the few who do not read the Bible, we are sure you will enjoy "The Pharisees" (today's Jews), one of the most devastating, documented denunciations of the Jews ever written.

WARNING — This book is not for the squeamish Christian. However, if you can accept the truth, sledge hammer blows right between the eyes, then "Verboten" is the book for you. Mr. O'Brien is a firm believer in God's statement through the Apostle John in Rev. 3:16 — "If you are lukewarm, I will spew you out of my mouth."
